## Education

---

- K.S Institute of Technology** 2023 – 2026 (Expected)  
*B.E in Computer Science Engineering*  
◦ CGPA: 8.8
- Shri Siddhartha Polytechnic** 2020 – 2023  
*Diploma*
- Mahila Samaja PU College** 2018 – 2020  
*PUC*  
◦ Score: 63%

## Projects

---

- Blockchain Based Document Verification** [github.com/shivu400](https://github.com/shivu400) 🔗  
◦ Designed a tamper-proof system using blockchain to verify academic certificates and identity documents.  
◦ Stored SHA-256 hashes on a decentralized Ethereum ledger via smart contracts.
- LSB Steganography** [github.com/shivu400](https://github.com/shivu400) 🔗  
◦ Implemented a data-hiding technique using Least Significant Bit (LSB) in audio/image files.  
◦ Demonstrated how minor binary modifications can hide sensitive data invisibly.
- Live News Feed Application** [github.com/shivu400](https://github.com/shivu400) 🔗  
◦ React app that fetches current news via API and displays categorized content on the website.  
◦ Integrated live API data and classified it into categories like tech, sports, etc.

## Skills & Technologies

---

- Languages:** C, C++, Python, Java, HTML, CSS, SQL
- Technologies:** MongoDB, PostgreSQL, Git & GitHub, Pandas, NumPy, Matplotlib, Seaborn, Flask
- Core Courses:** Data Structures & Algorithms, OOPs, DBMS, Networks, OS, Software Engineering, Web Development

## Certifications & Achievements

---

- Certifications:** Machine Learning, AWS, Network Technician (Cisco)
- Achievements:** Hack Rx 6.0 Participation, Active Hackathon Involvement

## Languages

---

English, Kannada, Telugu, Hindi
